

Smile Quilt Guidelines

Suggested Sizes:

36" x 42" for ages 0-4 years

48" x 60" for children up to age 10 and

48" x 72" for ages 11 to 18

Fabric: new, pre-washed, good quality fabric (cotton, cotton blends, broadcloth)

Backing: flannelette or fleece for warmth

Batting: polyester preferred (it dries faster)

Quilting: machine or hand-quilting (not knotted)

Ideas: theme quilts are popular using fabric with any of the following images: hockey, soccer, baseball, dinosaurs, cars, wolves, horses, airplanes, dogs, cats, unicorns.

Colours: quilts done in shades of the same colour are also good: blue, purple, pink, green. Bright colours are cheery, so let your imagination go.

Signed: please sign the quilt so the family of the recipient can attach a name to the "stranger" who cares about them.
